Chinese Herbal Treatment for Better Health

Would you like to improve your flexibility?

A great number of health problems are caused by toxins in the body that inhibit the proper function of the nerves and other chemical reactions in the body. The Shenqi Herbal Bath treatment penetrates the skin making contact with deeper layers of tissue to cleanse the body of toxins and repair damaged nerves. The Shenqi Herbal Bath is an excellent treatment for cleansing, tissue repair, and increasing flexibility. Please see Master Wang for more details.
