### **“JIAN MEI”**

Wang's Martial Arts invites you to participate in a free trial class for “Jian Mei.” This course, named after the Chinese characters for “fitness” and “beauty,” is designed to build muscle strength and increase flexibility without strain or high intensity. It incorporates Tai Chi breathing exercises as well as postures and stances common to Yoga, Pilates and martial arts.

Building strength and flexibility in the muscles is vital to every lifestyle. Some of the benefits of improved flexibility include:

- **Reduced muscle tension**
- **Increased range of movement in the joints**
- **Enhanced muscular coordination**
- **Increased circulation of the blood throughout the body**
- **Increased energy levels (as a result of increased circulation)**

When you strengthen your muscles and increase your flexibility, you will notice that you feel better, are more toned and can get through your daily activities with more ease.

While your child is working out in the Kung Fu class, you can participate in the “Jian Mei” class in the room next door for enhanced flexibility and strength!

**Day/Time: Saturday, 9:00 – 10:00 AM**

**Place: Wang's Martial Arts**
